

Profile

Mochida Pharmaceutical Co., Ltd. responds to the widespread requirements of medical care by putting into practice its motto of “Foresighted, innovative research.” With the advent in Japan of the aging society and a stronger emphasis on the quality of life (QOL) and a continued focus on health, expectations regarding medical care are growing daily.

We aim to do as much as one company can to contribute to the world of medical care. At Mochida Pharmaceutical, we embrace that objective as our mission, and are engaging proactively in the far-reaching areas that constitute medical care.

Corporate Philosophy

Throughout the Company’s history, it has stressed the importance of foresighted creativity to develop unique products and technologies for the medical and pharmaceutical world, thereby contributing to the improvement of human health.
